## EQUIPMENT CERTIFICATION

January 20, 2010

*Issued to:*

Edcon Power Tongs and Oilfield Services Ltd.  
Box 209  
Lac La Biche, Alberta  
T0A 2C0

Equipment: ..... Web Wilson Tubing Elevator  
Model: ..... 2-7/8"-90°, C 100-Ton  
Stamped: ..... T&T 37131  
Equipment #: ..... 236  
T & T Field Report #: ..... 37131  
Hi Quality Machine & Oilfield W.O.# 567  
Engineering File #: ..... 091016474

The above-mentioned equipment required a Level IV inspection, repairs where needed and certification for service.

T & T Inspections & Engineering Ltd. conducted the magnetic particle inspection and visual examination. Recommended repair procedures were given to Hi Quality Machine & Oilfield Repair Ltd..

Based on the final inspection and review of critical dimensions, components and load test results, it is our opinion that the equipment is a safe operating unit and may be returned to service within the manufacturer's original ratings and specifications.

This certification is valid for a period of 500 operating days, as per the recommendations provided by the Canadian Association of Oilwell Drilling Contractors, or until the unit has been damaged either as a result of operation, transportation or handling.
