EQUIPMENT CERTIFICATION

September 03, 2009

Issued to:

Edcon Power Tongs and Oilfield Services Ltd.
Box 209
Lac La Biche, Alberta
T0A 2C0

Equipment: Web Wilson Side Door Casing Elevator
Model: 7 1/2"-90", Type LAC H 50-Ton, c/w Safety Latch Lock Pin
Stamp: T&T 25571
Equipment #: 731
T & T Field Report #: 25571
Hi Quality Machine & Oilfield W.O.# 0414
Engineering File #: 090716231

The above-mentioned equipment required a Level IV inspection, repairs where needed and certification for service.

T & T Inspections & Engineering Ltd. conducted the magnetic particle inspection and visual examination. Recommended repair procedures were given to Hi Quality Machine & Oilfield Repair Ltd..

Based on the final inspection and review of critical dimensions, components and load test results, it is our opinion that the equipment is a safe operating unit and may be returned to service within the manufacturer's original ratings and specifications.

This certification is valid for a period of 500 operating days, as per the recommendations provided by the Canadian Association of Oilwell Drilling Contractors, or until the unit has been damaged either as a result of operation, transportation or handling.
